

## Man Who Knew Infinity

By Robert Kanigel

Washington Square Press. Paperback. Book Condition: New. Paperback. 464 pages. Soon to be a major motion picture, the story of one of the most improbable and productive collaborations ever chronicled, between a young unschooled Indian prodigy and a great English mathematician. In 1913, a young unschooled Indian clerk wrote a letter to G H Hardy, begging the preeminent English mathematicians opinion on several ideas he had about numbers. Realizing the letter was the work of a genius, Hardy arranged for Srinivasa Ramanujan to come to England. Thus began one of the most improbable and productive collaborations ever chronicled. With a passion for rich and evocative detail, Robert Kanigel takes us from the temples and slums of Madras to the courts and chapels of Cambridge University, where the devout Hindu Ramanujan, the Prince of Intuition, tested his brilliant theories alongside the sophisticated and eccentric Hardy, the Apostle of Proof. In time, Ramanujans creative intensity took its toll: he died at the age of thirty-two and left behind a magical and inspired legacy that is still being plumbed for its secrets today. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
