The Official Wall Street Songbook is a collection of spoofs, related to how the stock market operates. Each song is in the form of the lyrics of a popular American song, both in theme and versification. They are rich in satire, because the irony and humor presented has the vital ring of truth. The lyrics poke fun at stockbrokers, traders, analysts, politicians, investors, corporations and speculators. The author can vouch for this, for he is an award-winning financial writer who served as a supervisory analyst for the New York Stock Exchange. In addition, he was a senior analyst or research director for three NYSE firms. Besides being a Chartered Financial Analyst, he is a book author and a freelance writer presently.
