HarperCollins Publishers Inc. Paperback. Book Condition: new. BRAND NEW, The Shadowhand Covenant, Brian Farrey, Brett Helquist, With more twists and turns than a palace vault and one unforgettable family of thieves, this second book in Brian Farrey's epic and critically acclaimed Vengekeep Prophecies trilogy will leave you breathless. Trouble is brewing in the Five Provinces. Mysterious magical artifacts have gone missing from the royal vaults. Master thieves from a secret society known as the Shadowhands are disappearing. And without explanation, the High Laird has begun imprisoning the peaceful Sarosans. Jaxter Grimjinx suspects all these things are connected, but after the tapestry fiasco that nearly destroyed Vengekeep, he knows better than to get involved. Then he and his parents receive a summons from the Shadowhands-a summons that they would be foolish to ignore-and Jaxter is thrust into the heart of the conspiracy. With the help of a few new friends and an old friend he would rather forget, Jaxter will have to delve deep into some long-buried and dangerous secrets. A "rich fantasy" (Publishers Weekly, starred review) with a family of thieves that "couldn't be more likable" (Kirkus Reviews), the Vengekeep Prophecies trilogy takes everything you thought you knew about prophecies and spins it into pure magic. Don't miss the thrilling conclusion to the series, The Grimjinx Rebellion.
