The minutes of the last meeting were read and approved. The Secretary presented the following nominations for resident membership: Mr. John Jacob Astor, Mr. J. C. Pfister, and on motion they were referred to the Council. The Secretary presented the name of Prof. Bohuslav Brauner, Ph. D., of Prague, Bohemia, as a corresponding member, and on motion the nomination was referred to the Council. The following paper, which had been transmitted to the Academy through Dr. H. Carrington Bolton, was then read. On Fluoplumbates. By Bohuslav Brauner, Ph. D., Professor of Chemistry in the Bohemian University of Prague. I beg to lay before the Academy a short account of a new series of salts of tetratomic lead, a work which was begun in the Owens College, Manchester, in 1881, and which at intervals has occupied my attention several years.
