Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. I Can Hear You is a step-by-step guide which includes telepathic conditioning exercises that I use to connect with and find missing people. Also included are techniques that I use in my private practice as an intuitive healing practitioner and spirit medium. In a very short time, you will learn how to listen and act upon divine guidance as well as document important information that may be helpful later. This book may also be used by people who desire to connect with loved ones who have passed. Those who have crossed over into the afterlife are already communicating; this guide may help you to hear them as well as become aware of messages that they leave for you. My prayer is that this book will become a valuable resource to you whether you are a practitioner or searching for a missing a loved one of your own. In honor of those who are lost, may they all find their way home safely with love and divine guidance.
