Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Caring for Those Who Cared for You is a self-help workbook for making decisions about caring for your loved ones. The workbook identifies three stages of decision making a caregiver may go through in making decisions about the care of their loved one. The first stage is supporting your loved one with their care in their own home. The second stage is moving your loved one into your home so that you can care for them. The third stage is moving your loved one into a healthcare facility for their care. How to finance and find a healthcare facility that can address the mental and physical needs of your love can be an overwhelming process. Caring for Those Who Cared for You has worksheets that help the caregiver identify the financial resources of their loved one and how to find the best healthcare facility for their loved ones care needs. Each stage of care comes with challenges that must be resolved in order to ensure that their loved one gets the best possible care. The workbook has various worksheets in it to help the caregiver make data based decisions, so that the caregiver can make the necessary adjustments to their loved ones care plan. It also identifies various websites where the caregiver can go to research information about the physical and mental challenges their loved one may be facing. Throughout the workbook care challenges and possible care solutions are identified. These care challenges and care solutions can help the caregivers with challenges they may be facing with providing care for their loved one. A sample organizational chart is used as a means to resolve care challenges. It lets...
