The Organic Lawn Care Manual

By Paul Tukey

Storey Books. Paperback. Book Condition: new. BRAND NEW, The Organic Lawn Care Manual, Paul Tukey, In the modern suburban landscape, beautiful, green lawns are perhaps the most ubiquitous feature of all. It's difficult to imagine a friendly neighbourhood without broad, clean stretches of neatly shorn grass. More and more in recent years, those lawns are evolving into organic systems as homeowners - concerned about the long-term effects of chemicals on their children, their pets, and the environment - turn to natural methods to keep their yards healthy and inviting, and, yes, still green and lush, too. Paul Tukey, a self-confessed mowing addict, answers the growing demand for organic grass with a comprehensive volume of natural lawn-care information. Step by step, he takes readers through the many elements that work together to form a healthy, organic lawn. Well-treated soil, fed properly with compost and natural fertilizers, is the foundation of every great lawn. Plant it with a grass cultivar matched properly to the climate and sunlight, nourish the soil and grass with the proper amount of water, and maintain the height with a good mower equipped with a sharp blade. A beautiful, naturally maintained lawn can be as simple as that....
