Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The Training of Workers in Trades and Industries The University of Texas, with the desire to serve the people of the State in a still larger way, now offers instructor-training courses in trade and industrial education. The need for training among workers will be determined through industrial surveys throughout the State. Whenever a need is shown, skilled workers will be trained to become instructors for classes, which will be organized in plant, mill, factory, school, and store. In cooperation with the State Board of Vocational Education, classes in trade and industrial subjects will be organized in industrial centers of the State. The instructors for these classes will be trained by vocational teacher trainers from the University of Texas. In the summer session of the University, courses in the study of the problems in vocational education will be offered. These will be of interest to managers, employers, foremen, workmen, school executives, and teachers. This bulletin outlines in general the field of vocational education. If additional information is desired concerning any particular course, a detailed outline of that course will be furnished upon request.
