She is alone and frightened at first, but something miraculous happens when she gets in touch with her inner superhero and her life is changed forever. En El Día Que me Convertí en un Superhéroe, Ommeh, una niña de siete años, se enfrenta el día más difícil de su vida en un accidente automovilístico fatal con sus padres. Ella está sola y asustada al principio, pero algo milagroso sucede cuando se pone en contacto con su superhéroe interior y que su vida cambia para siempre. I find [this] story raw, real and very inspirational. It's relevant for both adults and young children--for us to realize our amazing potential and the miracles we are capable of achieving. It's easy to focus on all of our flaws but what this story reminds us of is our true essence; when we can tap into it, it's unbelievably powerful. And that essence is within us--we just have to allow it to manifest. --Preeta Gulati, PhD Assistant Research Professor, Department of Global Health, George Washington University It made me feel interested, surprised, and empowered, and I recommend all kids and adults to read it. I felt like I could do the same for my parents if I am in a situation like this. --Gabe, age 9.
