Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Manual of Modern Viticulture: Reconstitution With American Vines Practical viticulture has undergone remarkable changes since the advent of phylloxera in Europe, particularly in, regard to the reconstruction of vineyards on a phylloxera-resistant basis, necessitated by the continuous advance of this terrible scourge. For the same reasons, these radical transformations are now being gradually but surely forced on Victorian vine-growers, and will at no distant time become imperative. The phylloxera has, in spite of repeated assertions to the contrary, gained a permanent footing in Victorian vineyards. It would therefore be absurd to ignore any longer the necessity for vigorous action in regard to the reconstitution of our infected vineyard areas on phylloxera-proof stock; costly annual treatments of infected vineyards with insecticides, on obvious grounds of expense, being simply out of the question in Victoria. The advance of the phylloxera has proved throughout European, Asiatic, and American vineyards to be irresistible. All attempts to eradicate the insect, or even localize its outbreaks, have been utter failures, notwithstanding enormous public expenditure. It is deliberately courting disaster to disregard the costly experience of all the great wine-growing countries of the world in this matter. Phylloxera eradication and even localization have failed in every country. It would, therefore, be sheer folly to establish new vineyards in Victoria in or near infected areas except on phylloxera-resistant stock, as this method alone assures permanence. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy....
