

United States of Banana

Filesize: 9.68 MB

Reviews

Basically no phrases to clarify. It really is written in straightforward phrases rather than hard to understand. You will not sense monotony at any moment of your own time (that's what catalogues are for concerning if you ask me).

BRILLIANCE AUDIO, United States, 2015. CD-Audio. Book Condition: New. Unabridged. 171 x 133 mm. Language: English . Brand New. Giannina Braschi explores the cultural and political journey of nearly 50 million Hispanic Americans living in the United States in this explosive new work of fiction, her first written originally in English. United States of Banana takes place at the Statue of Liberty in post-9/11 New York City, where Hamlet, Zarathustra, and Giannina are on a quest to free the Puerto Rican prisoner Segismundo. Segismundo has been imprisoned for more than one hundred years, hidden away by his father, the king of the United States of Banana, for the crime of having been born. But when the king remarries, he frees his son, and for the sake of reconciliation, makes Puerto Rico the fifty-first state and grants American passports to all Latin American citizens. This staggering show of benevolence rocks the global community, causing an unexpected power shift with far-reaching implications. In a world struggling to realign itself in favor of liberty, United States of Banana is a force to be reckoned with in literature, art, and politics. The best work of art on the subject of September 11th that I have ever experienced! Mircea Cartarescu Revolutionary in subject and form, United States of Banana is a beautifully written declaration of personal independence. Giannina Braschi's take on U.S. relations with our southern neighbors in Latin America and the Caribbean, most especially Puerto Rico, is an eye-opener. The ire and irony make for an explosive combination and a very exciting read. Barney Rosset, The Evergreen Review Good poets write great poems. Great poets create a new language. Giannina Braschi is a brilliant artist who has invented a syntax that reveals how we think, suffer, and take delight in the twenty-first century....
