

Leadership for Learning How to Help Teachers Succeed

By Carl D. Glickman

Association for Supervision & Curriculum Development. Paperback. Book Condition: New. Paperback. 141 pages. Dimensions: 8.9in. x 5.9in. x 0.4in. In a follow-up to his earlier book, *Developmental Supervision*, distinguished educator and author Carl D. Glickman provides instructional leaders-supervisors, principals, and teachers-with practical guidance and thoughtful insight to help them succeed as they work with teachers to improve classroom teaching and learning. In a straightforward and easy-to-read manner, Glickman discusses Structures of classroom assistance--clinical supervision, peer coaching, critical friends, and action research groups; Formats for observations--frameworks for teaching, open-ended questionnaires, samples of student work, and student achievement on high-stakes tests; and Approaches to working directly with teachers--directive, collaborative, and nondirective. Scenarios that describe interactions with teachers of diverse backgrounds and skill levels bring the various approaches to life. The author also provides useful information on summative and formative evaluation of teachers. In addition to forms and examples that readers can duplicate or adapt to their own situation, the book includes an extensive list of resources on the topics of looking at student work, professional development and instructional leadership, and educators ethnic, cultural, and personal diversity. *Leadership for Learning* goes beyond the basics of supervision to place the work of instructional leadership within...
