Migrating Large-Scale Services to the Cloud 2016: A Master Checklist of Everything You Need to Know to Move to the Cloud (Paperback)

By Eric Passmore

aPress, United States, 2016. Paperback. Book Condition: New. 2016 ed.. 235 x 155 mm. Language: English . Brand New Book. This book reveals the technical challenges and successful implementation details of migrating MSN, Microsoft s consumer content portal--a business with 450 million worldwide users--into the Cloud. Following a technique long used in aviation, medicine, and other fields, MSN s Chief Technical Officer, Eric Passmore, describes the set of release, deployment, monitoring, and mitigation checklists used to build cloud services supporting hundreds of millions of users on Azure, Microsoft s Public Cloud. An undertaking of this scale--involving services supported by a large team of engineers--involves unique challenges and risks. This book demonstrates through personal experience how to cut through the theory and provides checklists as a surprisingly simple antidote to the competing methodologies. This book works at two levels. * At a fundamental level, businesses need to be successful in the cloud if they want to seize new opportunities and transform their business to compete successfully. This book provides a framework for success by identifying the hidden work as part of moving to the cloud.* At a more practical, level there is an incredible hunger for simple to follow, how-to information...
