Createspace, United States, 2015. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This is the story of four young women: Jamilla, whose brother is murdered before her eyes by white policemen; Brandy, raised in a comfortable home, but who carries deep emotional scars from rape at age 7; Cloe, raised by an alcoholic mother, whose career is ruined by her druggie brother; and war refugee widow Azzah with her disfigured baby girl, who come to America for refuge. Is there any hope for life? What is the real answer? From the Author s Note: This story is written in the midst of another bloody massacre, once more targeting everyone of darker skin. I wrote this story shortly after the murder of Freddy Grey; having also found out about the purposeful spread of Ebola and killing of African tribes. How can you understand this? some have asked me. You re not African. Seeing and experiencing are two different things. Perhaps so. But this is not a fair statement, because every person has undergone some sort of sorrow and hardship in their lives. I never told my life s story to the people who said this; I don t feel like they need to know. But in this story I ve interwoven pieces of my own sorrows with those of others, in the one heart-wrenching cry we all feel: Why?.
