

Hush Little Baby

By Hill, Barbara

Paperback. Book Condition: New. Ships From Canada. 111 Pages. From Library Journal: These commonsense titles address infant crying and language development, topics of high interest to new parents. Teacher and writer Hill views crying as a symptom, so discerning the cause will help parents effectively soothe their baby. Each of nine chapters covers a source of infant in distress and gives tips for easing the problem. Hill encourages parents to tune into their baby's sensitivities, drawing upon their own knowledge as well as her ideas. Dougherty, a speech and language pathologist, believes language development arises from daily discourse and events that affect our lives--even things as mundane as household chores. No expensive, overhyped toys or tools are needed. Rather, she suggests games that build a language-rich environment for toddlers--for example, naming items in the supermarket, playground, car, and home. An age-appropriate checklist is provided to allow parents to assess children's language skills. Dougherty.

Reviews

It becomes an remarkable publication that I have possibly go through. Better then never, though i am quite late in start reading this one. I am just delighted to inform you that this is basically the best ebook we have study inside my individual existence and can be he greatest book for actually.

-- Dr. Torrey Osinski DVM

This is actually the very best book i actually have read till now. This is for all those who statte that there was not a worth studying. Its been written in an remarkably straightforward way which is merely following i finished reading this publication by which in fact altered me, modify the way i believe.

-- Mr. Jeramy Leuschke IV
