A Contribution to the Study of the Nature of Enzymes (Classic Reprint) (Paperback)

By Maximilian Herzog

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from A Contribution to the Study of the Nature of Enzymes When the late Dr. Maximilian Herzog, author of this work, fully realized that his death was imminent, he called me, as President of the Board of Directors of the Municipal Tuberculosis Sanitarium, to his bedside and made known to me his wishes regarding certain manuscripts which dealt with ferments and their nature, the substance of which will be found in the succeeding pages of this publication. This work, Dr. Herzog explained, was the result of twenty-five years of research and study. It was not complete and he knew he would not live to finish it. I immediately set to work to help him prepare his manuscript for publication, and the work of arranging and typewriting the manuscripts was carried on as fast as possible until Dr. Herzog's condition became so serious that further work had to be abandoned. After Dr. Herzog's death, I appointed a committee to decide on what disposition should be made of the work. The Committee appointed consisted of myself...
