Boys Town Press, United States, 2011. Mixed media product. Book Condition: New. 274 x 211 mm. Language: English . Brand New Book. The workbook has thirty-five new lesson plans with activities to help you teach valuable social skills to students! Use this workbook to introduce a range of social skills, from the basic (Following Instructions and Listening to Others) to the complex (Advocating for Oneself and Setting Long-Term Goals). Lessons are written in an easy-to-follow format with talking points to help you define and explain a skill and guide students through an activity. At the end of each lesson is a Think Sheet for students with questions about how to use a skill in different settings and situations. Role-play scenarios and classroom activities also are provided so students can practice each skill's behavioral steps. Some of the activities blend the teaching of social skills into academic lessons in math/science, language arts, social science, and physical education.
