DCI David Brock and DI Kathy Kolla, of Scotland Yard, find themselves pulled into a case of murder, a mysterious death among the houseboats that line the canals around greater London, in Barry Maitlands *The Ravens Eye*. DI Kathy Kolla of Scotland Yard is called in as a matter of course by the local Paddington police when a woman turns up dead in what appears to be an accident. On her houseboat, Vicky Hawks is found by one of her neighbors having apparently succumbed to carbon monoxide poisoning due to improper ventilation of the narrowboats heating system. But while the cause of death seems apparent and theres no reason for Kolla to think otherwise, something about this death still bothers her. Meanwhile, her boss, DCI Brock, is wrestling with harsh budget cuts and a new Commander who is determined to make fundamental changes to the systemincluding limiting resources devoted to investigations. Struggling against the limitations imposed by the new order at Scotland Yard, Brock and Kolla find themselves pulling at the loose strings in the death of Vicky Hawks, trying to find out who she really was, what she was up to, and how her death might be related to another earlier tragic accidental death.
