Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from History of the Church, Vol. 1: Translated From the German The poverty of our national literature, in works of Ecclesiastical History, has long been universally confessed and lamented. But if the history of our country, its civil institutions and its military exploits, be interesting to us, and considered worthy of our study and research, - the history of the kingdom of the Church of Christ, can certainly not be less so to those, whose glory and happiness it is to number themselves amongst its members. Its first beginnings, small as the mustard seed - the rude storms which wept over it, whilst it was yet a tender plant - its growth into the strong and vigorous tree: or, in other words, the institution of the Church, the severe combats which were waged against it, in its first ages, by pagan persecution, by heresy and schism, over all which it gloriously triumphed - because the gates of hell could not prevail against it - are subjects well worthy of the attention and meditation of the Christian. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
