America was founded as a republic, a collective nation of tightly knit families and autonomous communities, who relied upon each other to fulfill their needs and achieve their dreams. As never before, Our Virtuous Republic provides a comprehensive explanation to how and why our nation - once held together only by an empowering national identity - has now become increasingly dependent on a powerful, centralized government. Conservative academics and politicians have failed to make a decisive argument for our founding principles, which were born out of the blended wisdom of English common law, Natural Law and the Protestant ethic. Richard D. Baris, Creator and Editor of People's Pundit Daily, identifies the unique characteristics that define the traditional American identity; to which, the progressive narrative has attached an unsubstantiated, backward stigma. Past conservative arguments have focused only on the impact of progressive legal reforms, such as the Sixteenth and Seventeenth Amendments, but beneath this structural shift is a deeper problem of values. They have overshadowed the true danger posed to Americans from big government; its strong, innate ability to destroy the human connection, which is threatening to fundamentally transform American citizens into a people that the Constitution was never designed to govern. Baris uses an all-encompassing approach, tapping history, philosophy, psychology, economics, and even science to deconstruct the progressive argument to its regressive core. Breaking through the superficial partisanship, he explains how our human nature interacts with the different elements of each political philosophy in American politics, and how it is exploited by politicians, special interest and bureaucrats. The evidence, in total, points to one conclusion. There is a Natural Law that illuminates our path to human happiness,...
